

Certificate

CO₂ integration

C. Otto Gehrckens GmbH & Co. KG

has reduced CO₂ emissions for the year 2024 in the
amount of 777 tons with PRIMAKLIMA.

.....

The integration of emissions takes place through reforestation and the protection of forests in our projects certified according to recognized standards.

Thank you for your commitment and important contribution to achieving the global 1.5-degree target.

Dr. forest. Henriette Lachenit
Chairperson
